

MARCH 2021 ON-GOING PRAYERS

Please pray to our Heavenly Father, in Jesus' name:

- Praising His name.
 - Thanking Him for hearing our prayers and granting our requests at the appropriate time.
 - Asking our Heavenly Father to hold in His arms all who are suffering long-term; and to comfort them with His peace, with strengthened faith, and with healing (according to His will), including:
 - **Ariel J**
 - **Betty H**
 - **Betty S**
 - **Charlene B**
 - **Dick W**
 - **Robin H**
 - **Jan B**
 - **Jeff P**
 - **Jerry Y**
 - **Family and friends of Jill P**
 - **John M**
 - **Mike S**
 - **Tammy M**
 - **Willy B**
- Also asking for patience and strength for their **caregivers, families, and dear friends.**
- Asking for safety and His peace for first responders and for those in the military, that they may always feel His presence with them and know that they are never alone, including: **Brittney B, Kris B, Tristan V, Tyler A, Zachary B, Jordan N, Izak T**, and also their **loved ones.**
 - Asking God to enlighten **all who are depressed or dissatisfied with their lives** that they may know their value in His eyes: the reason Jesus was born.

- Asking God to move **all Christians** to speak out gently, but clearly, with patience and love, wherever they are to share His light with those in darkness, and to be faithful even unto death.
- Asking Him to continue to touch the spirits of **those in prison**, that they may clearly hear His Word, repent, and begin new lives as children of God; and in turn, witness to those around them.
- Asking Him for His wisdom, His strength and power to be constantly present within **us** and make us strong and courageous in road ahead.
- Asking Him to move **all leaders** according to His will that they may serve Him and all the people under their authority with mercy and compassion; and to move **us** to come together with forgiveness and love and put our energies into God-pleasing activities for His glory, and for the well-being of our neighbors and ourselves.
- Asking for His loving comfort to be felt by **all those affected** by tumultuous events in the world, including all those affected by COVID-19, hurricanes, earthquakes, landslides, tornadoes, fires, and floods; as well as actions of hostility, terror, or war. May all their physical, emotional, and spiritual needs be generously met, leading them to praise His name and trust in Him in every situation.
- Asking for His blessings on **this prayer ministry**, that His children at Immanuel may continue to grow in Him and “pray without ceasing” (1 Thessalonians 5:17).
- Believing He loves us, welcomes our prayers, and will grant our requests at the appropriate time if they are in our best interests.
